

PrepMedico FRCOphth Part 2 Oral Exam Course

Nov 2025 Exam Batch

Suitable for Part 2 FRCOphth Orals Candidates and Part 1 Exam Candidates

Dates: 21/09/2025 – 02/11/2025 | **Model:** Virtual

Introduction

After nine successful editions of the FRCS General Surgery Course and two Vascular Surgery VIVA Course, we are excited to introduce our next venture, the **1st PrepMedico FRCOphth Part 2 Orals Course** - a unique mentorship program and the first of its kind.

Designed to streamline your preparation and maximise your chances of success.

Delivered by a team of mentors who have achieved outstanding results in their own exams and have mentored several candidates. The current course builds on that foundation and is enhanced to include extended benefits and additional features, ensuring an even more effective preparation experience.

The course encompasses all key concepts, oral examination techniques, advanced knowledge areas, and essential strategies for effective time management. It is meticulously structured to deepen participants' understanding and equip them to tackle the exam with confidence and precision.

Join us for a transformative journey towards achieving success in your FRCOphth Oral exams.

Observers: Any number

Faculty Team

Ms Swetha Ravichandran

MS, FMRF (cornea), FRCOphth

Ms Shruthy Vaishali Ramesh

MS, DNB, FRCOphth, FAICO

Why Should You Choose A PrepMedico Course ?

At PrepMedico, we pride ourselves on our accomplished faculty team, which has cultivated a standard of excellence across various specialties in recent years. Their profound expertise, unwavering commitment, and exceptional mentoring abilities are noteworthy. Our team's track record of consistently high success rates in prior courses speaks to our educational quality.

Our course framework and curriculum are meticulously designed, ranking among the most thorough and thoughtfully structured offerings for FRCOphth exam candidates. Our approach is straightforward yet flexible, specifically adapted to empower each candidate to navigate their exams with confidence and ease.

The PrepMedico FRCOphth program is distinguished by its adaptable, learner-centric methodology. We address the unique needs of each candidate through ongoing support, bespoke additional teaching sessions as required, and individualized feedback and mentorship. This is complemented by our live chat group, which is operational throughout the course duration for doubt resolution.

Our state-of-the-art Learning Management System (LMS) offers a seamless web and mobile app-based interface, featuring a comprehensive virtual library with key resources and video recordings of the entire course. This ensures that candidates have unfettered access to essential study materials and session replays for the entire duration of the course, facilitating convenient revision.

In addition, our course features bespoke one-to-one mock viva sessions meticulously designed to mirror the actual exam format and evaluation criteria, complete with detailed feedback.

The Schedule

Date	Topic	Time (BST)
21/09/2025 (Sunday)	Introduction and study plan	1800 - 2100
28/09/2025 (Sunday)	Ant segment, glaucoma and lids, communication	1800 - 2100
05/10/2025 (Sunday)	Orbit & Strabismus; Attitudes & Ethics, health promotion	1800 - 2100
12/10/2025 (Sunday)	Neuro ophthalmology; investigations 1	1800 - 2100
19/10/2025 (Sunday)	Posterior segment OSCE; Investigation 2	1800 - 2100
26/10/2025 (Sunday)	Full Mock 1 (Date can be adjusted based on candidate and examiner availability)	1800 - 2100
02/11/2025 (Sunday)	Full Mock 2 (Date can be adjusted based on candidate and examiner availability)	1800 - 2100

Note:

The mock viva schedule will be finalized after a poll is conducted with registered candidates, but sessions will be held on Sunday evenings.

If any candidate prefers a specific time slot for their mock, it can be discussed and scheduled accordingly.

The full mock session will be conducted in a 1:1 format and will last approximately 2 hours per candidate.

Instructions for Participants:

- Assume it's the actual exam and come fully prepared
- During the VIVA session of a particular participant, other participants are requested not to interrupt the flow
- Focus on key areas vital for the FRCOphth exams
- Express higher-order knowledge with excellent communication skills
- Avoid giving overly long answers
- Demonstrate logical thinking
- Provide an appropriate opening sentence before each scenario
- Add relevant evidence to your responses wherever possible
- Interpret images logically and sequentially
- Ensure the conversation resembles a discussion between consultant colleagues

Instructions for Observers:

- Kindly refrain from interrupting the live sessions
- You may ask questions when appropriate after the session

General Instructions

- The camera should be on in most instances during teaching sessions to keep the session engaging and lively
- Candidates should use their registered full names as their profile names when joining the meeting
- Be proactive and conscious of your allocated time, so that everyone gets a fair chance
- Our LMS academic contents and video recordings are copyright protected and under constant surveillance. Any attempt of screenshot and screen recordings will be identified and the access will be revoked without prior intimation

The Benefits

- Fully online course for candidates to join from home
- A viva-based course designed to mimic the actual exam
- Study materials and resources provided from the day of registration until the day of the exams, through the dedicated PrepMedico app
- All sessions will be recorded and available for review until the day of the exams, also through the app
- An option to extend access to recorded materials for observers for future exams if needed
- Small groups with only 10 participants at max
- Personalised performance monitoring and 1-1 feedback
- A course completion certificate
- 24/7 IT support
